ABOUT THE DOMAINE

The Lequin family represent a long lineage of Burgundian producers; their presence in Santenay dates back to 1679. Today, their son François is custodian of the 9 hectares of vines, stretching across Premier and Grand Cru sites in Santenay, Chassagne-Montrachet, Pommard and Corton. With a devotion to authenticity and quality, the Lequin-Colin vineyard has been ploughed since 1997 and organically farmed since 2009. François' meticulous methods in the vineyards and winery showcase a truly site-expressive portfolio, as he prefers a minimal intervention approach to best showcase both individual site character and the resulting personality in the purity of fruit that is produced.

WINEMAKING

This is the only wine in the Lequin-Colin collection that isn't 100% barrel fermented. It is 50% in tank and 50% in barrel, of which 10% was new in Chassin and Rousseau French oak, so there is a total of 5% new oak on this everyday chardonnay. The grapes come from plots in Santenay: "Lavau" near the village, and "Corpeau" which is located below the village of Puligny-Montrachet. The grapes from the plot "Corpeau" are purchased from organic producer friends of François, but François manages the viticulture, the harvest and the ultimate pressing and winemaking.

TASTING NOTES

The result is a fresh, citrusy and long chardonnay.

TECHNICAL NOTES

Alcohol by volume
12.5%

Total Acidity
4.0g/L

Residual Sugar
<2.0g/L
