ABOUT THE DOMAINE

Bodegas Yuste is a family-owned collection of several small wineries located in the historic city of Sanlúcar de Barrameda. The company was founded in 1991 by Francisco "Paco" Yuste, the owner of a successful drinks distributorship, when he purchased the historic Bodega Santa Ana and its centenarian solera. This bodega used to belong to the Rainera Pérez Marín family and is now the residence of the Yuste family. Dedicated to the founder's late mother Caridad ('Kika'), this Manzanilla Pasada 'La Kika' from Bodegas Yuste is a relatively new product on the market. It used to be bottled only for the family and close friends.

WINEMAKING

Produced in Sanlúcar de Barrameda (Cádiz) using Criaderas and the Soleras system.
