ABOUT THE DOMAINE

Located close to the Danube River in Southern Slovakia near the Hungarian border, Château Belá's 20 vineyard estate has been producing wines since 2001. Under the supervision of one of the world's most acclaimed winemakers, German superstar Egon Müller, Château Belá is home to some of Slovakia's finest Rieslings. The variety known locally as Rizling Rýnsky, yields wines noted for the energetic drive, purity of fruit and minerality on the palate. In addition to their stunning Rieslings, Château Belá is also renowned for their bold, robust Cabernet Sauvignon as well as their sweet straw and ice wines.

WINEMAKING

Hand harvested and fermented in stainless steel.

TASTING NOTES

A surprisingly refined Riesling with limey flavours and texture are reminiscent of a classic Mosel that retains a mouth-watering, mineral crispness on the finish. Suggested food pairings: sushi, sashimi, shellfish, Thai, Vietnamese. Also works well as an aperitif.
