### ABOUT THE DOMAINE

The domain was created in 1967 by Philippe Testut, the founder of “Château Grenouille.” In 1998, the 13 hectares of vineyards were taken over by his son, Cyril. Occupying the historic heartland of vineyards initially farmed by Cistercian monks, Domaine Testut and its vineyards lie on some of the finest Kimmeridgian limestone soils. This terroir contributes to the classic, minerally crisp flavours of the wines which have been described by Robert Parker as “among the very best of the region, offering great style and concentration without sacrificing their richness and depth, and while remain extremely well balanced and filled with finesse.

### WINEMAKING

Handpicked and sorted, the ripe fruit is pressed and fermented in steel tanks throughout. No oak is used for this wine, Cyril prefers the purity of fruit and light fine lees ageing in tank to add structure rather than any oak. The average age of the vines are 50 years old.

### TASTING NOTES

An elegant wine with a lot of minerality and hints of apple blossom, green apples and citrus fruits with herbal and slight wintergreen notes.
