COUNTRY	REGION	GRAPE	VINTAGE
Spain	Penedes	Parellada, Macabeo/Viura, Xarel.lo	2021

### ABOUT THE DOMAINE

A family owned winery with traditions dating back to 1790, Parés Baltà owns five estates in the Penedès mountains. The variety of the soils and elevation create unique microclimates that give a special personality to their wines. Organic viticulture is at the heart of the operation, Parés Baltà uses its own flock of sheep to fertilise the vineyard and bees for pollination during the flowering season. Today, the estate's management is led by brothers Joan and Josep Cusiné, and the winemaking is in the hands of their skilled oenologist wives, Elena Jimenez and Marta Casas. Parés Baltà's wines and cavas express the essence of the Mediterranean ecosystem with elegance, concentration and balance.

### WINEMAKING

Not made from the well-known international grape varieties, this wine offers something different. It was made both organically and bio-dynamically.

### TASTING NOTES

Aromatic, with slightly floral expression, Muscat-like rose petal and lychee fruit with an exotic finish. Light body but nice fresh acidity. This wine beautifully complements a butternut squash and chicken soup, or Spanish style garlic mushrooms.
