ABOUT THE DOMAINE

A family owned winery with traditions dating back to 1790, Parés Baltà owns five estates in the Penedès mountains. The variety of the soils and elevation create unique microclimates that give a special personality to their wines. Organic viticulture is at the heart of the operation, Parés Baltà uses its own flock of sheep to fertilise the vineyard and bees for pollination during the flowering season. Today, the estate's management is led by brothers Joan and Josep Cusiné, and the winemaking is in the hands of their skilled oenologist wives, Elena Jimenez and Marta Casas. Parés Baltà's wines and cavas express the essence of the Mediterranean ecosystem with elegance, concentration and balance.

WINEMAKING

The grapes are harvested by hand and after receiving the grapes in the winery, they are gently pressed and fermented at 20°C in stainless steel tanks for 2 weeks with 3 daily remuage. Indigena Red is aged in new and second year French oak barrels for little time so as not to add too much wood and to maintain its characteristic fruity touch.

TASTING NOTES

Bright garnet colour. Range of wild red fruit accompanied by subtle toasted touches due to its brief stay in wood. The importance of the fruit is also evident on the palate, leaving a good trace of its elegance and smoothness. Its personality invites to taste it and to repeat.

TECHNICAL NOTES

Alcohol by volume
14.5%
