### ABOUT THE DOMAINE

Postmark have partnered with the finest growers in Paso Robles to craft a wine that showcases the region's extraordinary Cabernet Sauvignon. Paso Robles Wine Country is centrally located between San Francisco and Los Angeles along California's Central Coast. With a greater day-to-night temperature swing than any other appellation in California, distinct microclimates, diverse soils, and a long growing season, Paso Robles is a unique wine region blessed with optimal growing conditions for producing premium and ultra-premium wines. A gifted winemaker, Katie Povah brings a deep and nuanced understanding of the wine region and strives to express the luxurious power and complexity of great Paso Robles Cabernet Sauvignon.

### WINEMAKING

Aged 15 months in 100% French oak, 35% new, 65% neutral. The 2021 growing season in Paso Robles began with an atmospheric river event that brought half of the region's rainfall in one storm. February and March were cool and dry, with record low rainfall in some areas. The drought conditions resulted in small canopies and berries, increasing the overall concentration in the grapes. Summer brought ideal weather, with no major heat events and temperatures

### TASTING NOTES

This wine offers alluring aromas of raspberry compote, fresh blueberry and caramel, with notes of sage and sweet baking spices. The blueberry and raspberry notes are echoed on the bright, structured palate, where they mingle with flavours of black currant, sassafras, and cocoa powder that linger throughout a long, luxurious finish.
