ABOUT THE DOMAINE

Family winery Tement was founded in 1959 and is situated in Ehrenhausen. Visitors enjoy a breath-taking panoramic view of steep slopes from surrounding vineyards. The sons Armin and Stefan represent the third generation of the winery. Both strive to continue their parents' work with the same quality awareness and sense for tradition. Together with father Manfred they produce origin accentuated and handcrafted wines gained by bio-organic vineyard management and low harvest yields. Their terroir wines show strong independence, reflect their region and soil and show great ageing potential. Elegant and balanced wines with puristic minerality.

WINEMAKING

Coral limestone, limestone, & clayey calcareous marl. Natural spontaneous fermentation, followed by slow aging on the fine lees in steel tanks and large wooden barrels. Biodynamic Agriculture. The average age of the vines are 15-55 years.

TASTING NOTES

Salt citroneur & signature wine. Characterizing the idea of Southern Styria. Refreshing citrus notes, local yellow fruit, elder flower, and black currants. Mineral and straight forward. Makes you long for the next sip.
