ABOUT THE DOMAINE

Family winery Tement was founded in 1959 and is situated in Ehrenhausen. Visitors enjoy a breath-taking panoramic view of steep slopes from surrounding vineyards. The sons Armin and Stefan represent the third generation of the winery. Both strive to continue their parents' work with the same quality awareness and sense for tradition. Together with father Manfred they produce origin accentuated and handcrafted wines gained by bio-organic vineyard management and low harvest yields. Their terroir wines show strong independence, reflect their region and soil and show great ageing potential. Elegant and balanced wines with puristic minerality.

WINEMAKING

Sand, shell, limestone and clay soils. Ried Zieregg is an incredibly multifaceted vineyard site. 13 of the 16 plots were planted with Sauvignon Blanc. Due to their complexity, each plot is vinified individually before being "married" together for bottling. The old vines are rooted on a 16-million-year-old coral reef and are surrounded by a unique microclimate.

TASTING NOTES

Medium golden yellow, silver glints. Candied orange zest, kumquats, yellow tropical fruit, a hint of blossom honey, nuances of lemon balm, and soft notions of herbal savouriness. Succulent, elegant, white peach, delicate nuances of figs and nougat, prolonged persistence, complex, unique style, exhibiting excellent length. Food recommendations; great with poultry, chicken and veal.
