ABOUT THE DOMAINE

Family winery Tement was founded in 1959 and is situated in Ehrenhausen. Visitors enjoy a breath-taking panoramic view of steep slopes from surrounding vineyards. The sons Armin and Stefan represent the third generation of the winery. Both strive to continue their parents' work with the same quality awareness and sense for tradition. Together with father Manfred they produce origin accentuated and handcrafted wines gained by bio-organic vineyard management and low harvest yields. Their terroir wines show strong independence, reflect their region and soil and show great ageing potential. Elegant and balanced wines with puristic minerality.

WINEMAKING

Coralline limestone & cambisol soil. After natural spontaneous fermentation 30 months in big neutral oak casks sur lie, bottled unfiltered. Bio organic. The age of the vines are 35 years old. On average 180° south, from early morning until late afternoon in the sun; completely open to the south and therefore characterized by cool winds.

TASTING NOTES

Our icon and historic part of Zieregg is just as complex as life itself. Fully ripe citrus fruit, some litchi, and black currant. Firm and mineralic. Fascinating from the very first sip. Citric, salty, and indefinitely long. Attractive when young, irresistible when aged. Food recommendations; goes very well with vegetables, fish & chicken
