ABOUT THE DOMAINE

Founded in 2001 by siblings Federico, Balbino and Francesca Romana, the Terenzi estate spans 150 hectares in the Morellino di Scansano zone of the Maremma. With over 60 hectares of vines and a modern approach to environmental preservation, the family, along with celebrated winemaker Giuseppe Caviola, are on a quest for raising Morellino di Scansano to the highest level of quality and excellence. The management of the vineyards, the harvest of the grapes, wine making and bottling are all made with passion and care by a highly specialised and motivated staff led by Giuseppe Caviola, one of the most important winemakers in Italy and in the world.

WINEMAKING

De-stemming and partial rupturing of the grapes. Pneumatic pressing. Fermentation in stainless steel tanks at a controlled temperature (27-28C). Malolactic fermentation carried out spontaneously, in stainless steel tanks. Bottle aged for 3 months.

TASTING NOTES
