ABOUT THE DOMAINE

Ulmus are quintessential expressions of some of the world most popular wines and grape varieties. Sourced from leading boutique producers by award-winning wine merchant, Top Selection, the range captures the essence of each region, combining the best possible value, quality and drinking pleasure. The wines are selected by and bottled exclusively for Top Selection, 3 time SWA UK Fine Wine Merchant of the Year.

Hailing from the rolling hills of the bountiful Piedmont region, Barbaresco DOCG is one of the great red wines of Italy, sharing cult status with its famous neighbour, Barolo.

WINEMAKING

Bunches are destemmed, pressed by gravity, and vinified in stainless steel vats. Aged for 24 months in oak barrels, followed by 24 months in bottle prior to release.
