### ABOUT THE DOMAINE

Founded in 1881, Vinicola Serena operates on the principle of combining over 100 years of tradition with modern techniques and technology. This family-owned winery prides itself on its ability to innovate and being in tune with market demands, which has allowed it to significantly increase volumes to meet its clients' needs, whilst retaining its attention to quality and the environment. Vinicola Serena is now managed by the fifth generation under the guidance of brothers Gerardo and Giorgio Serena, who are helped by their children Chiara and Luca.

### VINIFICATION

The grapes for the Serena 1881 Prosecco come from vines grown on the Sylvoz training system, planted on a mix of limestone, marlstone, clay and sandstone soils. The vineyards are sheltered from inclement weather by the Alps, and the Sirocco winds from the Adriatic Sea bring in cooling winds to temper warm summer temperatures and provide the rainfall required throughout the growing season. After the completion of primary fermentation in temperature-controlled stainless steel tanks, the wine was filtered and cooled before transfer to pressurised tanks with yeast and a liqueur de expedition. Following second fermentation in the tank the wine was filtered and chilled again, before being bottled under pressure.

### TASTING NOTES

Wine with a pale, bright pink colour. With a lively perlage and persistent foam, it has intense aromas with floral scents of white and red flowers accompanied by fruity notes such as apple, pear and hints of red fruit, such as strawberry and raspberry. The taste is fresh and on the palate it is pleasant and harmonious. Perfect as an aperitif, with appetizers and light fish course.
