ABOUT THE DOMAINE

Wine has been part of Yves Cuilleron's history for three generations, on both his paternal and maternal sides. His paternal grandfather started operations in 1920, and began to sell his own wine bottles in 1947. In 1960, the Yves's uncle Antoine took over the estate and field management. For the last three decades, Yves has been managing the production of the family estate, overseeing all the minute details of each step to ensure that his wines are 100% "made by hand" in his own unique style.

WINEMAKING

The grapes are picked when fully ripe and hand-sorted. After pressing, they are alcoholic and malolactic fermented in barriques with native yeasts. The wine is then matured 9 months in barriques, on the lees, no racking, with regular stirring. The soil type is alluvial and granite.

TASTING NOTES

Coming from old vines planted on hills and terraces, this wine is a reflection of a rigorous work. It expresses all its generosity with the typical Syrah character :sweet spices, candied dark fruits and graphite. A complex wine.
